(1) Travelling Allowance—

(i) Journey by rail—

(a) *Members of Parliament.*—Members of Parliament will utilise the free first class railway pass issued to them as Members of Parliament in respect of all rail journeys undertaken by them on business of the Committee. They will not travel by air-conditioned accommodation at the Government expense. If a Member of Parliament travels by air-conditioned coach, he will pay the difference between the fares for the air-conditioned and first class accommodation from his own pocket. They will be paid incidental charges at the rate of 8 paise per kilometre for each single journey performed by rail.

(b) *Non-official Members other than Members of Parliament.*—They will be treated at par with Government servants of the First Grade and will be entitled to a single fare of the class of the accommodation actually used, but not exceeding the fare to which the Government servants, of the First Grade are normally entitled, i.e., accommodation of the highest class, by whatever name it may be called provided on the railway by which the journey is performed,

plus an allowance for the incidental expenses at the rate of 35 paise per every 10 kilometres part thereof, if the journey exceeds 5 kilometres.

(ii) *Journey by road*.—In respect of journeys by road between places not connected by rail, a member will be entitled to road mileage admissible to an officer of the First Grade under the rules and at the rates as applicable to the employees of the Himachal Pradesh Government.

In a case where journey between two places connected by rail is performed by road, rail being the ordinary mode of travelling, the road mileage will be regulated as under:—

- (a) When a journey is performed by taking a single seat in a public conveyance, the lower rate of road mileage will apply.
- (b) When the journey is performed otherwise the higher rate of road-mileage, but limited to rail mileage, will apply.

(2) *Daily Allowance*.—

(i) The non-official members other than Members of Vidhan Sabha, will be entitled to daily allowance for each day of the meeting at the highest rate admissible to a Government servant of the First Grade for the respective locality.

(ii) The members of Vidhan Sabha will be entitled to a daily allowance for each day of the meeting except when the Vidhan Sabha or a Vidhan Sabha Committee on which the Member is serving is in session, at the highest rates admissible to a Government servant of the First Grade for the respective locality, but limited to the rate as admissible to him as Member of the Vidhan Sabha.

(iii) In addition to the daily allowance for the day(s) of the meeting, a Member shall also be entitled to full daily allowance for the day preceding and/or the day following the meeting if—

- (a) he arrives in the forenoon of the day preceding the day of the meeting or on an earlier day; and/or
- (b) he departs at 12 noon or in the afternoon of the day following the day of the meeting or on a later day.

But he will be entitled to only half daily allowance for the day preceding and/or the day following the meeting if—

- (a) he arrives at 12 noon or in the afternoon of the day preceding the day of the meeting; and/or
- (b) he departs in the forenoon of the day following the day of the meeting.

3) *Conveyance Allowance*.—A non-official member, resident at a place where the meeting of the Committee is held will not be entitled to travelling and daily allowances on the scales indicated above, but will be allowed only the actual cost of conveyance hire, subject to a maximum of Rs. 10.00 per day. Before the claim is actually paid the controlling officer should verify the claim and satisfy himself, after obtaining such details as may be considered necessary, that the actual expenditure was not less than the amount claimed. In cases, he is not satisfied with the details, he may, at his discretion, limit the conveyance allowance to road mileage.

If such member uses his own car, he will be granted mileage allowance at the rates admissible to officials of the First Grade subject to a maximum of Rs. 10 per day.

(4) The travelling and daily allowances will be admissible to a member on production of a certificate by him to the effect that he has not drawn any travelling or daily allowances for the same journey and halts from any other Government source.

(5) The non-official members will be eligible for travelling allowance for the journeys actually performed in connection with the meetings of the Committee from and to the place of their permanent residence to be named in advance. If any member performs a journey from a place other than the place of his permanent residence to attend a meeting of the Committee or returns to a place other than the place of his permanent residence after the termination of the meeting, travelling allowance shall be worked out on the basis of the distance actually travelled or the distance between the place of permanent residence and the venue of the meeting, whichever is less.

(6) The non-official members who are members of Vidhan Sabha, will not be entitled to daily allowance in connection with their assignment, when the Vidhan Sabha or the Vidhan Sabha Committee on which they are serving is in Session, as they will be drawing their

daily allowance under the Salaries and Allowances of Members of the Legislative Assembly (Himachal Pradesh) Act, 1963 from the Vidhan Sabha. However, if they certify that they were prevented from attending the Session of the House or the Vidhan Sabha Committee and did not draw any daily allowance from the Vidhan Sabha, they would be entitled to daily allowance at the rate as prescribed.

(7) The Members of Parliament and Vidhan Sabha will also not draw travelling and daily allowances including conveyance allowance which will disqualify them from the Parliament and the Vidhan Sabha.

(8) The provisions of Rule 224 of the Central Treasury Rules will apply *mutatis mutandis* in the case of over-payments made on account of travelling allowance to non-official members.

6. The Director of Employment and Training will be the controlling officer in regard to the countersigning the travelling allowance bills of the non-official members and the travelling allowance bills will be prepared by the Directorate of Employment and Training.

7. The expenditure will be debitable to head "38-Labour and Employment-C-Resettlement and Employment-C-3-Extension of Coverage of Employment Service, C-3(3) Allowances and Hons."
